

USP Workshop on Topical and Transdermal Drug Products
September 14-15, 2009
USP Headquarters

USP's Next Steps

Anthony DeStefano, Ph.D.
Vice President, General Chapters

Quality Standards for Medicines, Supplements, and Food Ingredients throughout the World

USP's Next Steps

- Workshop slides, including moderator reports, will be posted on the USP web site in the next several weeks
- Advisory Panel will meet (this afternoon and at other times) to incorporate Workshop discussion and submitted comments
 - Advisory Panel wraps up work in February or earlier
 - Re-submits revised chapters into PF 36(3) May-June 2010 (next slide)

Timeline

1. Re-entry into *Pharmacopeial Forum* 36(3) May-June 2010 for another public comment period
2. USP will pre-post on the USP Web site in March
3. Public Comment Period May 15-August 15, 2010
4. Assuming no significant public comments, would forward to *USP 34 Supplement 1* (publishes February 2011; normally official August 1, 2011)
5. USP could consider a delayed official date of later than August 1, 2011
