**IMPORTANT:** For the most up-to-date lot information, <u>visit the online USP store</u> which is updated daily. USP recommends referring to the store prior to using a USP RS to assure the lot remains valid for use and to obtain the most up-to-date USP Certificate and Safety Data Sheet. Material Origin and Country of Origin details can also be obtained in the store.

Find answers to the most commonly asked Reference Standards questions about use, expiration dating, assigned values, certificates, safety data sheets, storage, shipping and much more.
