

USP Donor Recognition Program

USP's Donor Recognition Program acknowledges the contribution of new monographs, monograph modernizations, and reference material candidates from sources external to USP. As in the past, USP presents donors with Certificates of Appreciation when monographs

reach the publication stage or when donated reference materials reach the USP Catalog. Reference material donors also receive a summary of the data collected by USP on their candidate material. The recognition options are detailed in the chart below.

	DONOR ACTIVITY	PARTICIPATION LEVEL	RECOGNITION OPTIONS	EXAMPLE
New Monographs (NM)	New Monograph Submissions: Donor completes a first-time submission of a new monograph to USP and monograph is published for comment	LEVEL NM1: 1 to 5 monographs from donor are published in USP's forums or Web site in a calendar year	For each monograph, donor's choice of one of the following <ul style="list-style-type: none"> • Complimentary registration to a USP Science and Standards Symposium [travel not included] • Complimentary registration to a USP Workshop [travel not included] • Complimentary one-year subscription to <i>USP-NF, Food Chemicals Codex (FCC), or Dietary Supplements Compendium (DSC)</i> 	Donor submitted 7 monographs that USP publishes in 2010. The donor will be offered <ul style="list-style-type: none"> • Choice of any combination of 7 USP Science and Standards Symposium/Workshop registrations [travel not included] or print publications PLUS <ul style="list-style-type: none"> • Choice of an on-site USP Pharmacopeial Education course or one-year multiple user license of an electronic version of the <i>USP-NF</i> or <i>FCC</i>
