

# PHARMACOPOEIAL DISCUSSION GROUP

## CORRECTION

Correction E-31  
POLYSORBATE 80

(Correction 3 of the sign-off document signed on 3 June 2008)

Item to be corrected:

**Composition of fatty acids:** add 'split ratio: 1:50'.

**Dioxan:** read 'Calculate the content (in ppm) of dioxan using the following expression:

$$\frac{2 \times 1.03 \times CD \times Aa' \times 1000}{Ab' - Aa'}$$

**Ethylene oxide:** read 'Calculate the content of ethylene oxide (in ppm) using the following expression...'
