SHIPPING

- USP does not ship any products to post office boxes. Please include a street address or your order will not be delivered. USP does not deliver any products to residential address.
- International customers are responsible for paying all customs duties, taxes, and tariffs levied for importation of USP products.
- Customers can choose their own carrier preference by giving USP their DHL, (international shipments only), UPS or FedEx account number, for eligible items.
- USP will select the most appropriate carrier and the least expensive method to ensure expedited delivery. Surcharges may apply.

SHIPPING CARRIERS

USP uses FedEx as its default carrier because we have negotiated favorable shipping rates with FedEx, which we pass on to our customers. However, we use alternative carriers (e.g., DHL, UPS, Air Freight/Door to Airport) for locations to which there is no FedEx service. Rate for this service include Standard Ambient, Dry Ice, or Gel Pack shipments.

USP’s Add on Services

- **Rush Order:** This service is available for orders shipping only within the United States. USP will expedite processing of rush orders received until 12:00 PM EST daily with standard overnight delivery if no additional holds are applied on the order (Exceptions apply). This service does not guarantee same day delivery and service fee is non-refundable.

- **Mexico Consular Certificate Service:** This service is to obtain required Consular Certificate for importing controlled substances (Psychotropics and Drugs controlled in Mexico) from the Embassy of Mexico. This is a per-item fee and is applicable to each unique item ordered regardless of quantity. This service turnaround time is approximate 2 weeks.

- **Legalization and Notarization:** This service is to provide USP seal/stamp and wet signature of commercial documents and legalization/notarization by a consulate, embassy, or freight forwarder. The service fee is subject to change depending upon the service type requested and will be updated after confirmation. The service turnaround time is approximate 6-7 days.

- **Certificate of Origin:** This service is to request Chamber of Commerce certificates of origin (e-Certificate). The service turnaround time is 24-48 hours.

ATCC

These are co-branded products available for purchase on USP Store. ATCC orders should be placed through the USP Store. These items cannot be included with USP items for international shipments.

SPECIAL INSTRUCTIONS FOR INTERNATIONAL CUSTOMERS
• Ordering direct from USP or an Authorized Distributor is the fastest method to get results:
  Using Authorized Distributors for purchase of USP Reference Standards may take significant time. Typically, USP processes orders for all our customers within two business days. USP cannot control how long an authorized distributor takes to place the order.

• Apply for credit terms with USP: Having credit terms allows you to place orders using your company purchase order and pay once you get USP’s invoice.

• Please use an authorized credit card: USP accepts Visa, MasterCard and American Express. DO NOT send checks or wire transfers for prepaid orders.

• Customs clearance: USP does not offer customs clearance services. We suggest that you arrange for a customs broker to facilitate clearance or allow FedEx to clear customs for you. Customs clearance is often the longest part of your product delivery time. Customers are responsible for paying all customs duties, taxes or tariffs levied for bringing USP products into their country.

• Language: USP has a diverse workforce. If you have trouble communicating in English, please ask your Customer Service Representative to find a USP employee who speaks your language. USP Customer Service has English, Spanish, Mandarin, Chinese, Hindi, Urdu, Bangla, Punjabi, and Korean language speakers on staff.

• Problems or issues: USP has Strategic Customer Development Managers who can support your product inquiries and/or other general information. All technical questions should be directed to rstech@usp.org or at https://uspharm.force.com/WebForm/s/webform
