

**Impurities for Development
Synthesis
Product Information Sheet**

Company name:	Date of Request:	
Address: (including email and telephone number)		
Product Name: (generic name if any)		
Chemical Name:		
Materials ID Number: (lot number, part number or any ID number if available)		
Solubility/Nature of the Product/Free Base/Salt if available		
Chemical structure Molecular Formula Molecular Weight:	Quantity Required:	
	CAS No: (if available)	
	Control Substance	Yes or No
	Hazard Level	
Safety Data Sheet (SDS)*:		
Handling and Storage*:		
Documents Information	Remarks	
1. Synthesis		

2. Providing Synthetic Process	
Additional Information: Patent, Process infringing or Non fringing, Intellectual Property Right (IPR) status if any	

* Mandatory for Hazard Materials Class-3 and above
