Exhibitor Rules & Requirements

Sponsorship and Management
The workshop and networking functions are produced by and are the property of the UNITED STATES PHARMACOPEIAL CONVENTION, hereinafter referred to as “USP.” USP will provide all program management functions and establish all policies. Exhibitors are required to sign the contract and by doing so, subscribe to the rules and requirements, which are part of this contract.

What May Be Exhibited
USP determines the eligibility of any company or product for networking exhibit. USP may forbid installation or request removal of or discontinuance of any exhibit or promotion, wholly or in part, that in its opinion is not in keeping with USP’s character or purpose. Additionally, the dispensing or distribution of souvenirs, (i.e.: pens, key chains, and/or keepsakes) or the use of alcoholic beverages and food as part of the networking exhibit booth or in displays or demonstrations is prohibited. Brochures, product sheets, specification details are permitted.

Assignment of Space
Space will be allocated in the order in which paid registrations are received (first-come, first-served). USP reserves the right to relocate exhibits as necessary after consultation with affected exhibitors.

Payment Schedule
Space is limited; therefore the total payment is required to reserve a networking exhibit space. If payment in full is not received with the contract, USP has sole discretion to reallocate the space to applicants on a waiting list. No contract will be processed without a signed contract and payment. Space is contracted at the rates indicated on the agreement.

Move In/Move Out
Setup is scheduled for Monday, September 24, 2018 beginning at 7:30 am and must be concluded by 8:30 am. Teardown is scheduled for Tuesday, September 25, 2018 immediately following the Afternoon Break. All exhibitors must set up and tear down their exhibits during these scheduled times unless otherwise authorized by USP. It is the duty and the responsibility of each networking exhibitor to supervise the installation and removal of exhibits. Handling and installation must conform to USP regulations and instructions.

Standard Furnishings
Each networking exhibit table is 6’ ft. (length) x 2’ ft. (width) with two chairs. There will be electrical power and wireless Internet access available.

Cancellation and Refund Policy
If the exhibition is cancelled by USP for any reason, the contract is nonbinding and all payments will be refunded. USP will not be responsible for any airfare or other transportation penalties or other costs incurred due to a cancellation. If an Exhibitor cancels, said Exhibitor must advise USP of any cancellations in writing by Monday, September 17, 2018 to receive 50 percent of the total contract price as a refund. Any cancellations made after Monday, September 17, 2018 will result in complete forfeiture of payments made. All cancellations must be made in writing to USP, Attention Renee Stake, via email at mailto:rms@usp.org. The above cancellation fees will be in affect even though the exhibit space, no longer required the withdrawing company, may be subsequently rented by USP to another company. In addition, the exhibitor loses the right to use the complimentary exhibitor registrations granted by this contract.

Subletting of Space/Obstruction of Exhibit Aisles
No space, or part thereof, shall be sublet without prior approval of USP. Any demonstration or activity that results in excessive obstruction of aisles, or prevents ready access to nearby participating companies’ booths, shall be suspended for any period of time specified by USP.

Labor/Safety/Fire Codes
The Exhibitor is responsible for knowledge of and compliance with all fire and safety codes. Decorations must be flame-resistant. Electrical wiring must conform to all federal, state, city, and hotel requirements. If inspection indicates that an exhibitor has neglected to comply with these rules and requirements, or otherwise incurs fire hazards, the right is reserved to cancel at the networking exhibitor’s expense, all or such part of the exhibit as may be irregular.

Program Registration
Exhibitors will be given two program/exhibit registrations per table at no additional charge. This allows access to the networking exhibition space and participation in all program sessions. If additional registrations are needed, they can be purchased separately.

Exhibitor Representatives
Networking exhibits must be staffed during networking exhibit hours by qualified employees of the exhibitor. These representatives must be able to explain and demonstrate the products and services on display. All representatives shall review the networking exhibit contract and abide by its rules and requirements.

Security and Liability
Each networking exhibitor must make provisions for the safeguard of its goods, materials, equipment, and display at all times. Each networking exhibitor assumes the entire responsibility and liability for losses, damages, and claims arising out of injury or damages to exhibitor displays, equipment, or other property brought upon the premises of USP, and shall indemnify and hold harmless USP and any authorized representatives, agents, or employees of the foregoing of any and all losses, damages, and claims. In holding the workshop, USP does not act as the agent of the exhibitor.

Social Functions
Any functions that would compete for attendees’ time, either during the hours of the program, exhibition, and/or USP social functions are strictly prohibited.

Enforcement of Rules
USP has full power of interpretation and enforcement of these rules and requirements and other points not covered here. Violation of any of these rules and requirements on the part of the networking exhibitor, its employees, or agents shall, at the option of USP, forfeit the right to occupy space and such networking exhibitor will forfeit to USP all monies paid.

General Information
All matters and questions not covered by these rules and requirements are subject to decision by USP. These rules and requirements may be amended at any time by USP, and all amendments that may be so made shall be equally binding on all parties affected by them, as are the original regulations.

Delivery and Removal During Show
Under no circumstances will the delivery of or removal of any portion of an exhibit be permitted during open hours of the workshop without the written permission from USP. All arrangements for delivery, during non-show hours, of supplies, such as flexible materials, cartons and products, to be packaged must be made with USP. No deliveries may be made during show hours.

USP does not endorse any product or solicit any company, manufacturer, or organization exhibiting at the Workshop. USP reserves the right to terminate any networking exhibitor contract should any exhibitor imply otherwise, or should any attempts be made to influence USP’s scientific decision-making process or gain preferential treatment by USP.
